Dear Mayor

Subject: Scholarship for Municipalities

Nepal is the land of diversities. Therefore, in order to bring unity, education is a means for emotional integration. We cannot do without any kind of education. Education is the ground solution for all problems. Education is an essential aspect of human development. Education is a means of achieving a world of peace, justice, freedom and equality for all. Thus, education is extremely necessary for all. No good life is possible without education. Keeping it in mind, Suwal International College is announcing scholarship nationwide for 2 students in each Programs (A) Diploma of Engineering, (B) Diploma of Medical, (C) Bachelor of Engineering, (D) Bachelor of Medical, (E) Other Bachelor programs and (F) Master Programs. Total scholarship is announced for 12 students. Students should be passed getting more than 2.1 GPA in your Nagar or Gaupalika. For scholarship, reference letter of Nagar palika or Gaupalika is needed. This is the helping hand for the giant leap of the Nation.

Most Nepalese people are poor and unable to afford their children for higher studies. This idea propels me to decide it. Hard, laborious and thoughtful action creates fruitful result for nation in future.

Your kind cooperation in this regard will be highly appreciated.

Dr. Prakash Suwal
Principal
